IT TOOK A WHILE, BUT . . .

IT WAS FINALLY COMPLETED

Fairfield Junior High School opened its doors for the first time in September of 1962, enrolling some 600 students from the south section of Fort Wayne.

During those first days, the cafeteria was barren of food and the gymnasium did not resound to the tap of a basketball.

But as the building grew, so did the friendships among students. The newness of the school promoted a feeling of pride as students, staff, and faculty worked together to create the true school spirit in Fort Wayne's newest junior high.

This yearbook is dedicated to those people who have made our first year at Fairfield such a memorable one.

Mr. Richardson, our principal, is ready to start another busy day. Largely responsible for the successful operation of our school during its first year, Mr. Richardson and his untiring efforts greatly assisted both students and faculty.

OUR SCHOOL ADMINISTRATORS

Our staff assistant, Mr. Miller, could often be seen counseling students. His many other duties included assisting the principal and faculty, supervising the cafetorium, and assisting with the school guidance program.

Mrs. Ernestine Tyler

Miss Kathryn Vonderau

Mr. John West

Checking the mail box is part of the daily schedule.

The 2:50 bell not only signals the close of another day, but also the arrival of the homeward-bound bus.

The waiting line forms as students line up to purchase tickets for a home basketball game.

OUR FIRST YEAR AT FAIRFIELD

Student librarians keep track of the 2,000 volumes in our school library.

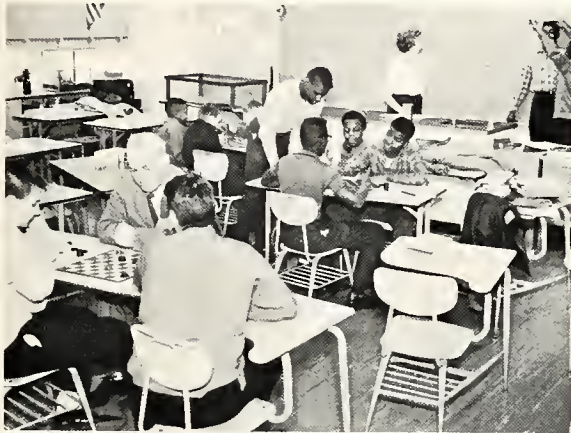

No late arrivals to class since the introduction of the one-way traffic on the stairs.

Classmates listen as these French students practice their new language at the "dinner" table.

Mr. Petty supervises the ninth grade study hall every morning.

Checkers has become an after-school activity for these students.

Remember the three months that we carried our lunch each day?

At the close of the school day, students relax at their lockers.

Mrs. Heck is always ready to answer the many questions of students and staff.

Answering the telephone is just one of the many duties performed by Mrs. Rodenbeck.

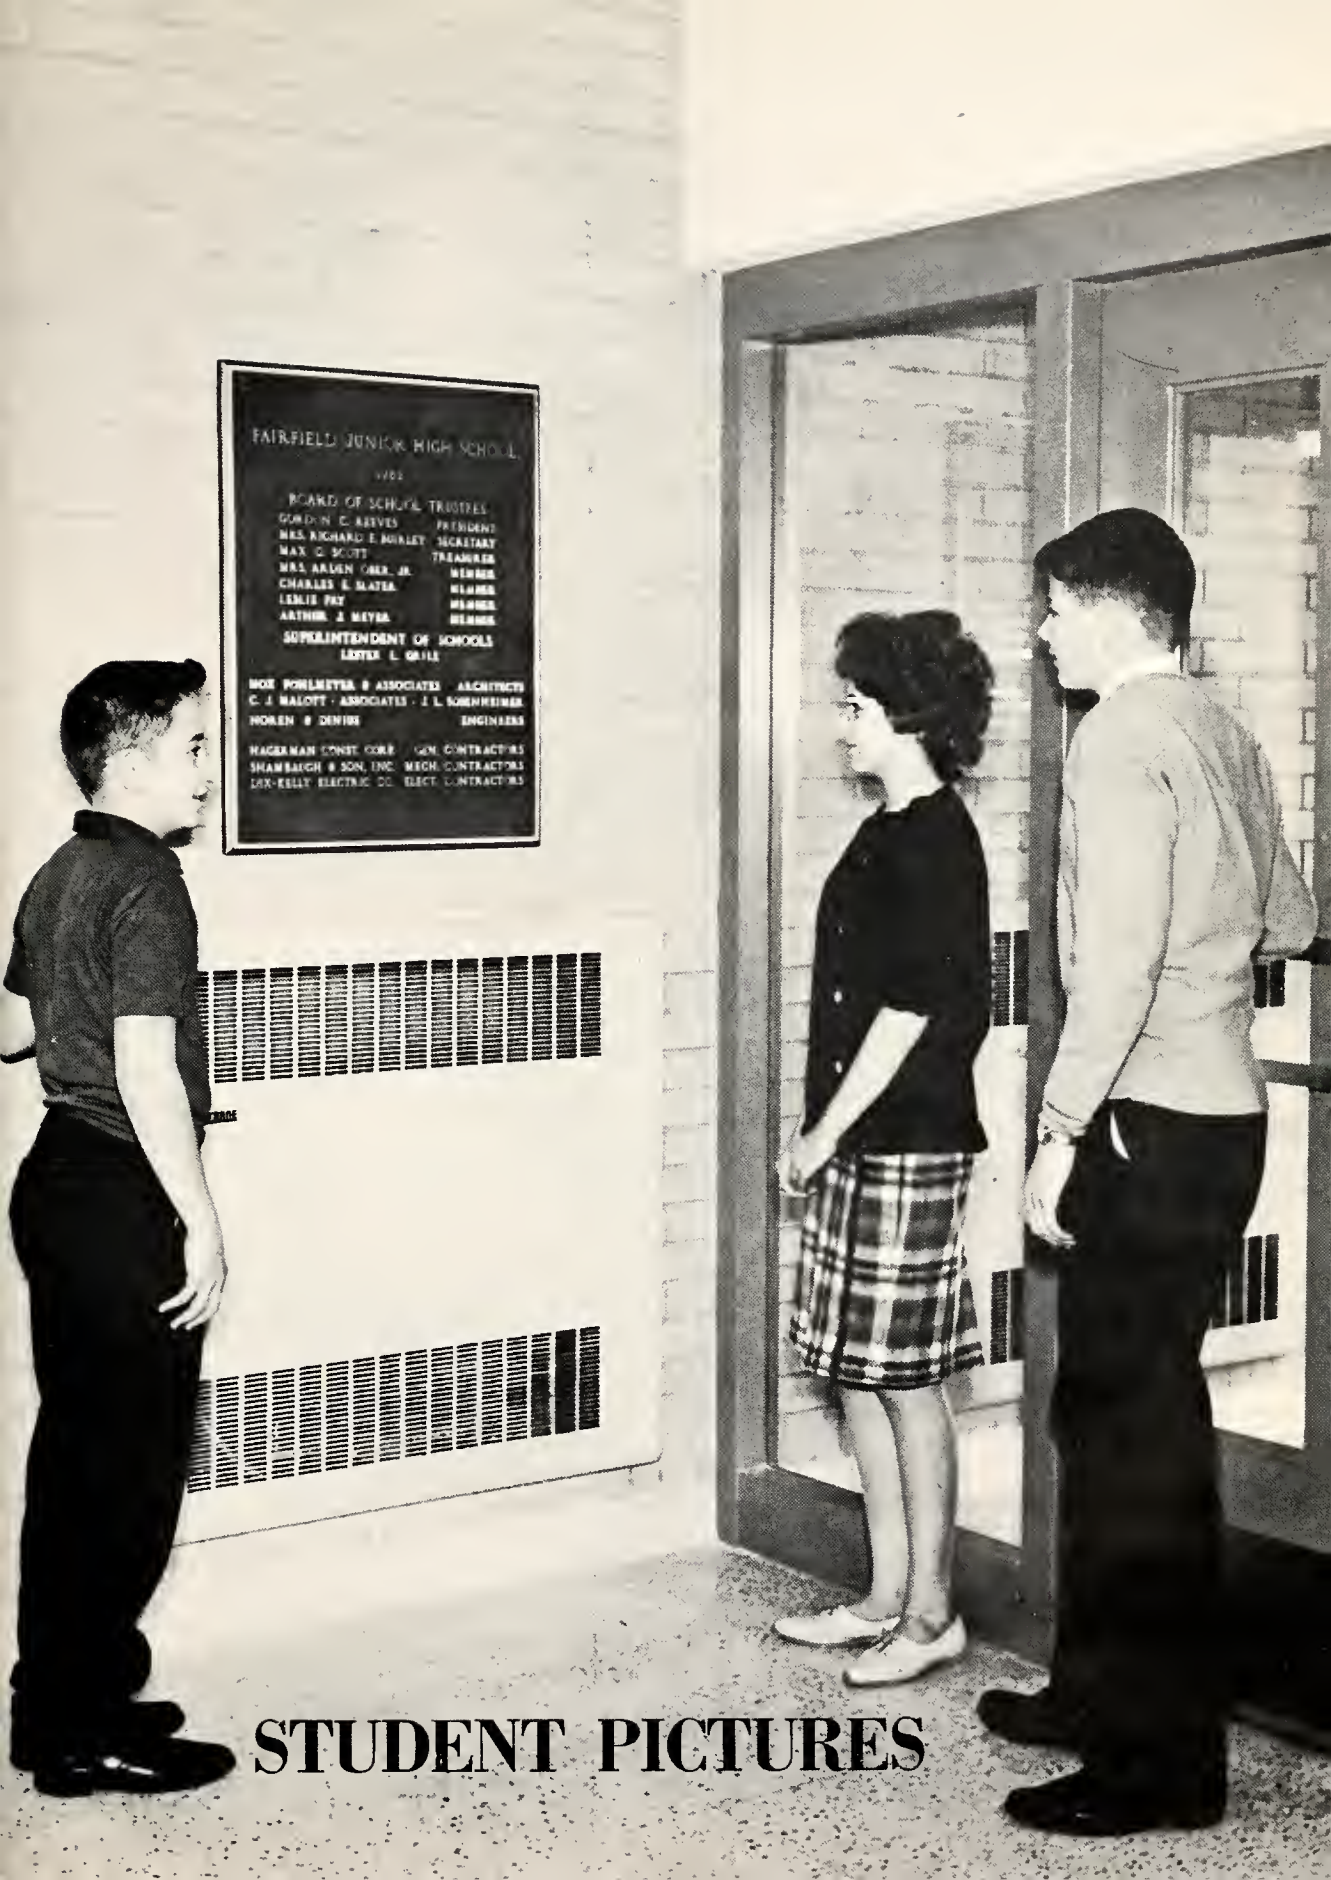

WE EXTEND THANKS TO THESE PEOPLE FOR A JOB WELL DONE

The opening of the cafeteria and the arrival of our cooks was welcomed by one and all.

Thanks to this competent staff of custodians, rooms and halls were always in order.

OUR REPRESENTATIVE BODY . . . FAIRFIELD'S FIRST STUDENT COUNCIL

The Fairfield Student Council, whose members were elected by homeroom votes, has proved its worth to the students of our school. The five social functions were planned by the various committees of the Student Council and numerous other activities were organized by this group.

The Council consists of 29 members. All except eight are homeroom representatives. These eight are representatives - at - large, chosen by all-class votes, four from the ninth grade, and two each from the seventh and eighth grades.

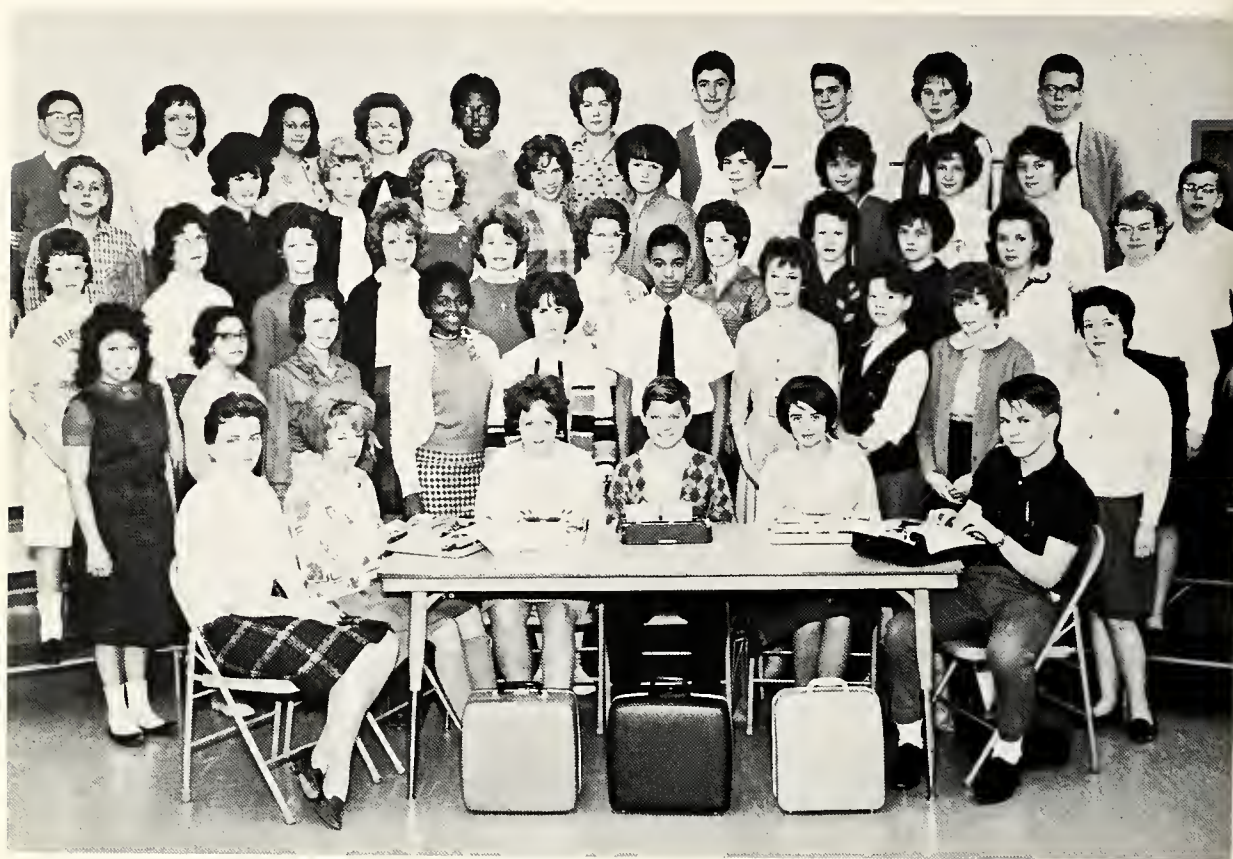

The officers were chosen in February, so the Council really didn't have much time left in the school year after they were completely organized, to do some of the things that they might have had the opportunity to do. The officers are: Tim Byers, president, chosen by an all-school vote, and Cindy Craw and Patti Graffis, elected by the Council itself.

ACTIVITIES

TYPING'S A WORTHWHILE AMBITION

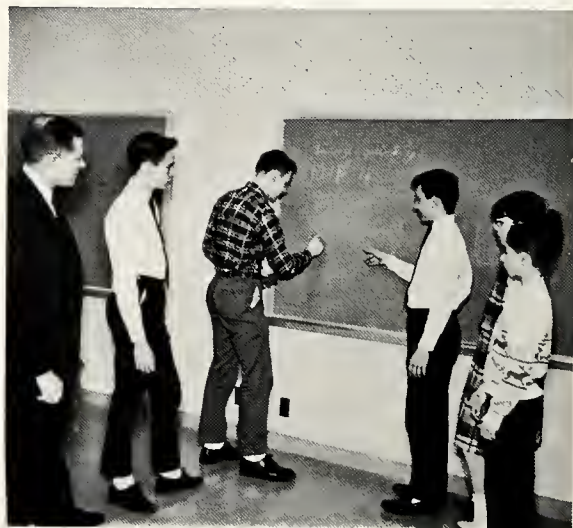

Sponsored by Mrs. Sell, the members of the Typing Club, learned the touch system.

FUTURE SCIENTISTS

Mr. Partridge and Miss Brosier instructed the

OR MATHEMATICIAN

Binary and quinary? It doesn't seem to be a puzzle to these Math Club members, advised by Mr. Petty.

WE MAKE MUSIC FOR DANCING

The Dance Band, conducted by Mr. West, is a group who concentrates its efforts on popular dancing music. The Band, playing for us at home and tournament basketball games, as well as other times for pure entertainment, is a much larger group, also conducted by Mr. West.

FOR MARCHING, TOO

MORE MUSIC

WITH STRINGS

AND VOICES

AND FOR BEGINNERS . . .

All the instrumental music groups are directed by Mr. West. Included are the Orchestra, Beginners' Instrumental, and String Quartet, plus the Band and Dance Band. The Choristers, sponsored by Mrs. Irmischer, put their singing talents to work and learned a great deal about singing.

FUTURE LIBRARIANS

The Library Club, advised by Mrs. Schang, is a group of girls interested in books or in becoming librarians themselves. This organization aids Mrs. Schang in keeping track of books, helping students find books they want, and making our new library appealing to the eye with their clever decorations.

A YEN FOR ACTING HELPS . . .

Under the direction of Mrs. Tyler, the Dramatics Club has been learning the fundamentals of acting. Starting with expression and reading of poetry, this active group progressed to skits and plays.

OR PUBLIC SPEAKING . . .

Self-expression in public speaking is the theme around which the Speech Club centers its activities. Sponsored by Mr. Ehinger, this organization studies appearance and self-confidence in front of an audience with actual experience before the club group.

OR A FOREIGN LANGUAGE

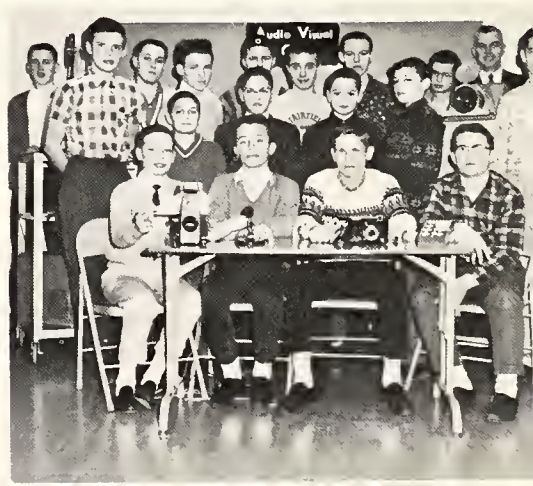

For those Fairfielders interested in foreign languages, the Foreign Language Club is provided. This activity combines the opportunity to learn about the origin of some of our English words and those in other languages, along with the customs of countries beyond our borders. Basic understanding of some fundamental phrases in French and Spanish are also offered as an aid to those people with pen pals in other countries.

FOR SERVICES RENDERED . . . 1373388

The Y-Teens, along with the Boosters, Office Service Workers, and Audio-Visual Club, have done a magnificent job this past year as far as serving the faculty and student body of Fairfield goes. Doing secretarial duties in the office, aiding teachers in grading papers, recording grades, and numerous other jobs, as well as operating audio-visual equipment, and selling tickets and shakers for home basketball games and tournament games are a few of the many services performed by these four service clubs.

FOR BOYS AND GIRLS

FOR GIRLS ONLY . . .

Those students with creative instincts joined either the Stitch and Chatter Club for girls, Industrial Arts Club for boys, or General Crafts. The girls in Stitch and Chatter learned the finer points of knitting and crocheting while the boys made use of their skills obtained in shop classes. The General Crafts members learned techniques in basket weaving, mosaic tiling, and leather tooling.

THIS IS FOR BOYS!

HISTORIANS

Students desiring more knowledge of state and local history belong to the History Club.

ARTISTS AT WORK

The members of Mrs. DeHaven's Art Club find after-school enjoyment with their easels and paint brushes.

LITERARY ARTS

Smart kids! Mrs. Long aids pupils who are interested in improving their reading skills.

PEN PAL SEEKERS

The members of the International Relations Club make letterwriting fun rather than an undesirable task.

SCHOOL PUBLICATIONS — THE FALCON

Press Club members smile while the Falcon's photographer snaps their picture.

AND, OF COURSE THE VOYAGER

The Voyager staff takes time out for their yearbook picture.

The final paste-up is completed by these Voyager editors.

THEY CHEER OUR TEAM TO VICTORY

Leading the strenuous yells for Fairfield's junior and varsity basketball teams were two groups of six girls each, the Spartan cheerleaders. The varsity, ninth grade yell leaders graced the basketball courts in Columbia blue pleated skirts and white bulky sweaters with scarlet and blue F's on the front. These girls' active feet were clad in white tennis shoes with fluffy red pompoms. These six niners deserve a round of applause for their genuine efforts to cheer our first year ninth grade basketball team to victory.

The eighth grade junior cheerleaders are not to be forgotten, by any means. Although our junior basketball squad was defeated in its first tourney game, the yells were the "winningest" in the city of Fort Wayne.

Red and blue monogrammed sweatshirts, black skirts, and white shoes with pompoms were the order of the day for our junior yell leaders.

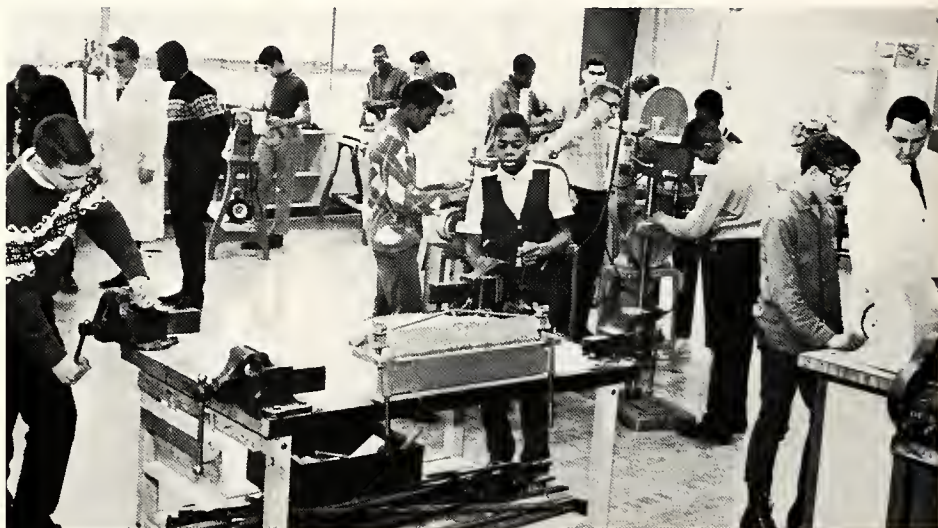

OUR JUNIOR VARSITY

OUR PROGRAM INCLUDES

DEVELOPMENTAL READING

INDUSTRIAL ARTS

BIOLOGY

ATHLETICS

Fairfield Wins Basketball Championship

Fired up by a last game of the season defeat, and still with that desire to do better, the mighty Spartans did just that as they topped all contenders and raged to a double championship; one for the best season, and one for the city basketball crown of 1963.

Friday, March 8, in the North Side gym a crowd of sparked up Spartans spectators

saw a real runaway as we trounced the Chiefs of Franklin by a score of 37 to 21.

The real final came that evening though as we swamped a startled Lakeside club by 24 points. The final score of 44-20 dethroned the Lancers and gave us Spartans a first year championship.

Our four fine football coaches confer in a pre-game talk.

Representatives from two of last year's top athletic schools, Hoagland and Smart, this year joined forces under the red and blue in a gallant effort for the city football crown.

In the final evaluation, the varsity won four games, lost one, and tied one, giving us a tie with Franklin for a heartbreaking second place. Heart-breaking only because just one more foot and an extra point attempt in the Geyer game would have clinched for us a first place tie.

On the flag football scene, the seventh and eighth grade eleven also ended the season above the fifty per cent mark with four wins and two losses.

We offer our congratulation to both teams on a fine first season.

SPARTAN ELEVEN PLACE SECOND

The hard-hitting ninth grade varsity football squad this year locked horns with Franklin in a second-place tie.

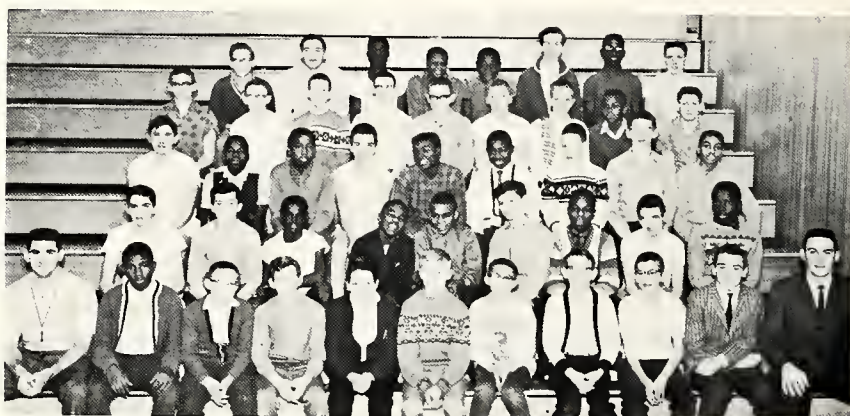

Pictured above is the seventh and eighth grade flag football team.

Easy does it! Members of this physical education class go topsy-turvy as they indulge in tumbling exercises.

Physical Fitness Is Important . . .

Before the completion of the gym in January, all boys' physical education classes met in regular classrooms. Many times, however, these classes moved to near by Packard Park where touch football and calisthenics were practiced. With the completion of the new, modern, well-equipped gymnasium, the wide-eyed boys worked out on the shining wood floors doing exercises and tumbling, and playing such games as basketball, volleyball bombardment, dodge ball, and softball.

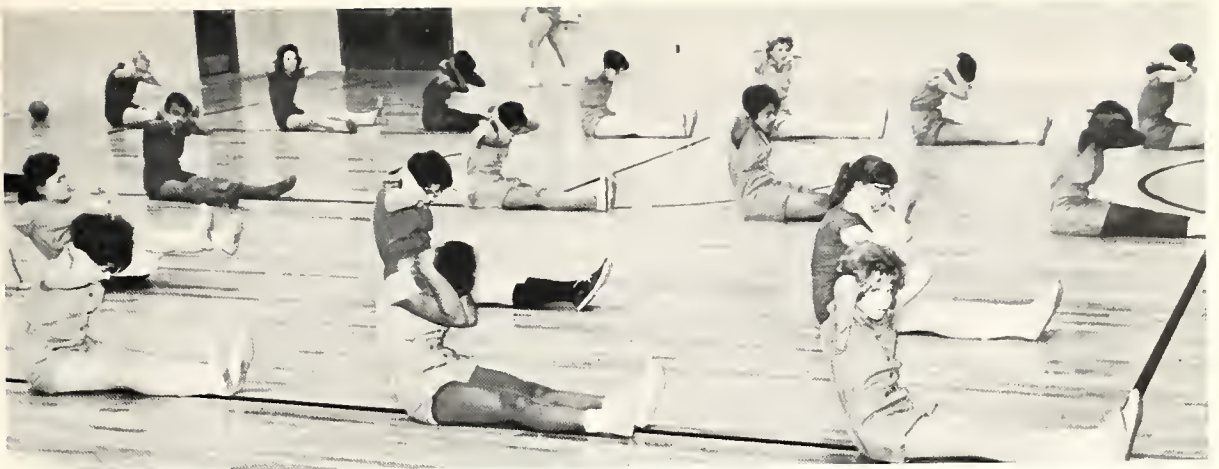

The active members of the Intramural Club are pictured in one of their few actionless moments.

Basketball makes a good clean competitive sport in gym classes.

Volleyball is another of the team games played by physical education students.

Sit-ups are only one of the many exercises done by Fairfield girls.

FOR BOYS AND GIRLS

Dodge ball is a favorite competitive sport in many of the physical education classes.

Volleyball, basketball, tumbling, and various outdoor games were the main activities as Fairfield girls proved that they too could master athletic skills. The brand new gym and locker facilities were not used solely by the physical education classes, however. Seventh periods on Monday and Wednesday saw the girls intramural clubs in action.

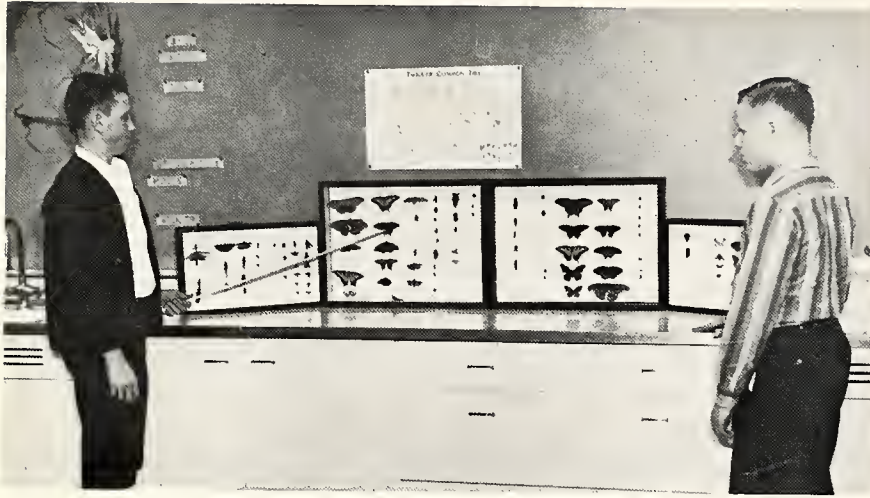

Basketball isn't just for boys as is shown in this picture.

Volleyball rates high with the girls in intramurals.
